

Farm Camp is community-based, tech-free sleepaway camp on a real working ranch, where kids become more connected to each other, animals, nature and themselves.

Farm Camp offers a traditional, co-ed overnight camp program for kids ages 7 to 17. We are located on 500 acres of beautiful Sonoma County Redwoods, just 1.5 miles off of the Pacific Coast (less than 3 hours north of San Francisco).

With cows, horses, donkeys, sheep, pigs, goats, chickens, kittens and even puppies on the farm, campers have a unique opportunity to learn how to care for farm animals while participating in all our favorite summer camp activities. We have both a pool and lake on site for swimming, a ropes course, horseback riding, and more.

Farm Camp provides an enriching environment for campers to grow and share in our values of building community, self-confidence and independence, while making friendships along the way and memories that last a lifetime.

Mountain Camp is a co-ed summer resident camp for campers entering 2nd-12th grades.

We are located near Lake Tahoe on the shore of beautiful Ice House Lake in the Eldorado National Forest. Mountain Camp's minimal technology, non-competitive program is designed to make sure each child succeeds. We work to create a fun and safe environment that encourages independence while nurturing lasting friendships. At a time when children are increasingly lost in screens and technology, our goal is to get campers outside, actively creating, playing, connecting and learning lifelong outdoor skills.
